Dinners are on your own this year. After getting very consistent feedback from past attendees we made the decision to not include dinners. Pricing on meals & utilizing the onsite services has increased, which make the pricing very high.

Suggestions for dinner are some great local restaurants, or get together with others & do a pot luck.

We have some ideas for a dinner off site that will accommodate the group with the ability to order off the menu and pay individually. We will have more information as the trip gets closer.

Breakfast every morning in Camp

Payment in full due on registration and must be received no later than Dec 1, 2022

Mail payment & reservation form to [Kay Leatherman 47 Chasse Rd, Wolcott, CT 06716](#)

Cancellations will not be refunded after 12/15/2022

Prices include meal tax, room tax & meal gratuities. Double or single occupancy includes 5 day lift tickets, breakfast and room.

Please read the options carefully and choose the package that works for you. This year we do have the option to purchase 4 or 5 day lift package. It is great to have the option as I know many do not ski all 5 days.
