

February 18-19 Skating (and xc ski/snowshoe) Weekend in VT

Saturday AM: leave the lodge for pond skating at Lake Morey at 9:30 AM to arrive at the lake at 10:40 AM. Lake Morey has a plowed track all the way around the lake if you want to do distance skating. Longer blade skates are available to rent. There are also several plowed rink areas to skate on.

Don't Skate? No problem! Bring your XC skis and snow shoes as both activities are available at Lake Morey on their tracked trails. No snow? Bring your microspikes and we will do a nice hike next to Lake Morey with great views of the Connecticut River Valley.

Dinner on your own Saturday evening

Sunday AM: meet at Grafton Outdoors Center for a Sleigh Ride at 10:00AM
\$10.00 per person

To reserve a seat email: corowhoule@gmail.com first come, first served

If you are interested you must sign up in advance. This time is set aside for MTL members and other time slots during the day are organized by the Outdoor Center.

Sunday AM: meet at Grafton Outdoors Center at 11:00 for XC skiing, snow shoeing or microspiking on their groomed trails

Additionally there is skating at Okemo on Sunday if that interests anyone. That would have to be scheduled through OKEMO. We hear there is skating in Londonderry as well.

ABOUT THE ICE HOUSE

Okemo's Ice House, located at Jackson Gore, is a multi-functional, year-round sports pavilion that is open to the public. The main building, a pre-engineered steel structure, houses a 115 by 215 foot skating rink in winter and a tennis court and basketball court, surrounded by a single-lane jogging track, in summer. The adjacent building features a gas-fueled fireplace for skaters to warm themselves in winter. Skate rentals are available and an ice resurfacing machine keeps the skating surface smooth and in top condition.

ICE HOUSE

Grand Opening 1/27/2023!

Hour of Operation:

Friday: 4pm - 9pm

Saturday and Sunday: 1pm - 9pm
