Sun City is a small town outside of Hollywood that is a celebrity vacation destination with beautiful beaches, excellent weather, and wonderful resorts. Darby Cerulean, a local magician of Sun City, is hosting a to-die-for backyard luau party. Everybody in Sun City is talking about what an epic party this will be. Rumors have flown around the grapevine that Darby's guest list might not be exclusively the crème de la crème of high society, but why should anybody question Darby's motives? Darby promises that it will be a fun time in the sun with exciting party games, wonderful luau-inspired delicacies, and stimulating conversation. **You have received your invitation, and it is time to pick out your most festive luau attire for the party.** This is where the story begins.....
